NOMINATIONS FORM

Joint/Credit Shelter Trust(s) with Separate Supplemental Needs Trust Wills

How our complete, legal names should appear in the documents (how each of us will be signing our name, as well as any "aka"):

The information below will be used to prepare your estate planning documents. If, after you have returned this document to our office, you wish to make changes to any of the names or order of names, or any of the named individuals change addresses or telephone numbers, <u>you must notify us no later than five (5) days prior to the date of the scheduled signing</u>. It is extremely difficult to make changes <u>at</u> the signing. We will be sending you a summary of the documents in advance, reflecting the information below, which will give you another chance to review your decisions and make changes.

1. <u>WILLS/TRUST(S)</u>: These are the documents which will direct distribution of your assets. <u>Please list, in order, the individuals you would like to settle your</u>

estate. Your Trust(s) will name your spouse first, <u>then</u> your list of successor trustees. Your Wills will only be used if we have intentionally moved assets from your Trust(s) into one spouse's name, in order to preserve assets from one spouse's actual or anticipated long-term-care expenses; if neither spouse is sick, we will likely not need either spouse's Will. Note that, if we are using this Will strategy, your spouse will <u>not</u> be named as Personal Representative, since the strategy assumes that the spouse is not well.

Please name at least 4 individuals (besides your spouse) to serve:

• Personal Representatives/Alternate Trustees for husband's Will/Trust:

Name:	1.	2

	3.	4.

2. DISTRIBUTION: How would you like your assets distributed after the death

of the second spouse? For example, if you have children, would you want your estate distributed equally among them? If you do not have children, who would you want to inherit your estate? Other family members or charities? What happens to a share of a deceased beneficiary – does it pass to the deceased beneficiary's children, otherwise to your surviving children/beneficiaries? If not, to whom? You may use percentages or a dollar amount (which we will convert to a capped percentage). For each beneficiary listed, please provide their complete name, their relationship to you, and the town and state where they live:

(You may attach a separate piece of paper if you need more space)

Sub-Trust for Younger Beneficiaries.

2(a) <u>Age.</u> If there is a chance that a grandchild or other beneficiary might inherit before or during early adulthood, either because you have named them as a primary beneficiary of your estate or because they would inherit if another beneficiary predeceased you (for example, if a beneficiary predeceased you, and that person's children are entitled to their share), We recommend that the beneficiary be given control over those funds only after they reach a certain age (which you must designate). We further recommend that this age be no younger than age 25 (but older may be appropriate), so that the beneficiary will be of sufficient maturity to handle the funds when they receive them outright, and the funds are protected from creditors and financial aid considerations. Whatever age you select, the Trustee may make distributions to the beneficiary prior to that age, but in the Trustee's discretion (in other words, the beneficiary may not demand funds).

At what age would you want beneficiaries to be eligible to inherit?

2(b) <u>Trustees of Sub-Trust</u>. The Trustee of this sub-trust will be responsible for holding the funds and disbursing them as appropriate, keeping in mind the child's maturity level and need for funds for college or living expenses. Note that, in general, it is not advisable to name a beneficiary's surviving parent, since some distributions they make could be viewed by the IRS as income to the parent. This is not the case if someone other than the parent serves as Trustee. <u>Kindly list four (4) individuals you would trust in this capacity, in order of preference:</u>

	1.	2.
Name:		
Relationship:		
Address:		
	3.	4.

3. <u>POWERS OF ATTORNEY:</u> These documents name the individuals (called your Attorneys-in-Fact or Agents) who you would trust to handle business transactions for you, whether you are incapacitated, on vacation, or just wanting/needing assistance with banking or other financial issues. Note that these individuals will each have equal authority to act (there is no hierarchy) which means we can call on each, as needed and appropriate. None may act, however, without access to the document, which gives you control over who can exercise the power. <u>Please name two (2) individuals, in addition to your spouse, who you would like to serve as your Attorneys-in-Fact to handle business matters for you:</u>

6. <u>HIPAA AUTHORIZATION FOR RELEASE</u> forms: These forms list the individuals who you authorize to access your medical information and talk with your doctors. <u>We will list the same individuals who you listed as Health Care Agents</u> above. In addition, <u>would you like anyone else listed?</u>

7. <u>PRIMARY CARE PHYSICIAN(S)</u>: Please provide us with the name(s), practice(s), and address(es) of your Primary Care Physician(s), so that we may send copies of your signed Health Care Proxies, Living Wills, and HIPAA Authorization for Release forms for your records:

9. Sub-trust for any beneficiary not inheriting directly. (IF RELEVANT)

If there is any actual or potential beneficiary of your estate, regardless of age, who should not receive his or her share outright, due to disability, divorce, medical issues, poor money management, or other reasons, you may want to have someone else manage these funds. Note that, if funds will be held for the term of a beneficiary's life, you should name some Trustees who are the same age or younger than the beneficiary. **ONLY IF THIS IS RELEVANT TO YOUR SITUATION, please tell us which beneficiary should not inherit directly:**
